CONDITIONS AND REGULATIONS

Building utility outlets are not part of booth space and are not to be used by the exhibitors unless specified otherwise.

All equipment, regardless of source of power, must comply with all federal, state, and local safety codes.

Claims will not be considered unless filed by exhibitor prior to close of Fair.

Use of open clip sockets, latex, or lamp cord wire, duplex or triplex attachment plugs in exhibits is prohibited.

Under no circumstances shall anyone other than "house electrician" make special or direct electrical connections.

All exhibitor's equipment shall meet N.E.C. and be clearly labeled as to type of current, voltage, phase, cycle, horsepower, etc.

All outlets shall be installed on the floor at the center backwall.

By signing this form, exhibitor hereby agrees to all terms and conditions and regulations
